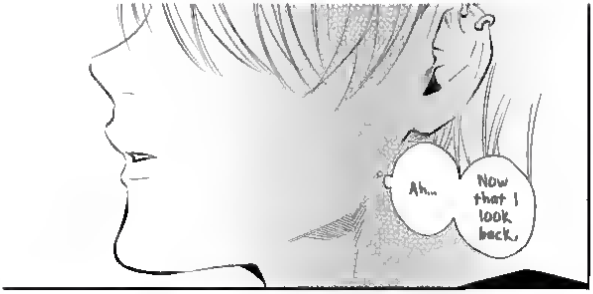
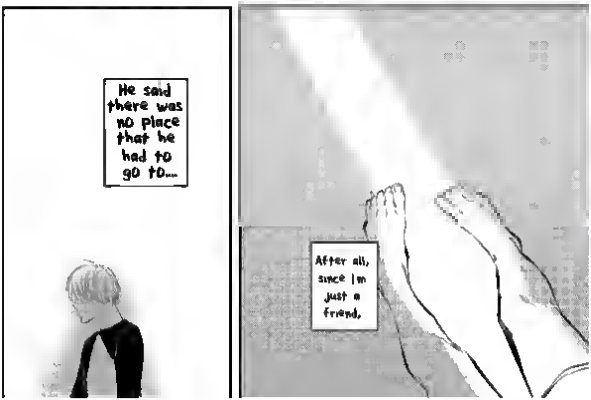
YOUJIN



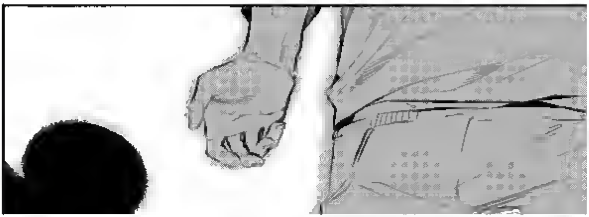
Ah...
Now that I look back,

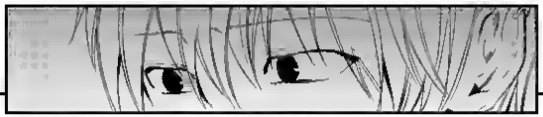
The reason he came to me,
was girl trouble.



He said there was no place that he had to go to...
After all, since I'm just a friend,

there's nothing to think deeply about
Was what he said.





What's this...

I feel like shit.

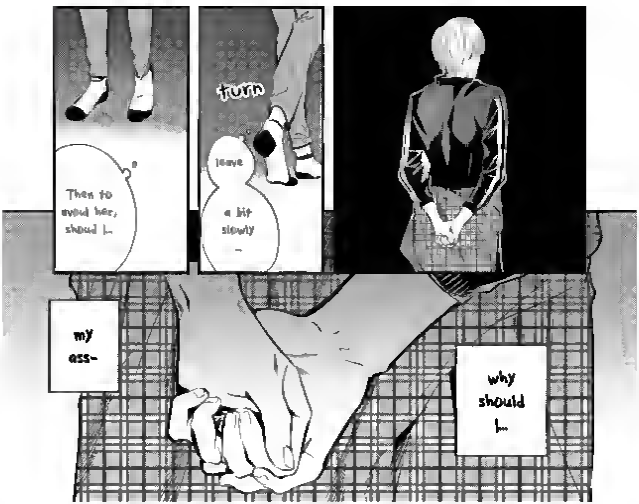
Rustle
Rustle
Draw near
Where are you going?
Startled!
Ah...
Why are you so startled...?
I'm going to the drugstore too, let's go.

Sorry,
I have somebody I gotta meet.
!
Ah... Is that so?
Okey then.
Can't be helped.

I'd probably be eating out so eat dinner without me.
Okey.
See you later
Creak
Yup, see ye.
Shut!

Bye bye...
...
His ex...
...right?

pain
Couldn't we leave together at least?
Didn't have to hide it outright...



Then to avoid her, should I...
turn
leave a bit slowly ...
my ass-
why should I...

give a shit about her love-life?
It actually pisses me off.
Does he think I'd tell his ex something like we are sex friends?!
Wait, are we really sex friends?
.....
Anyhow,
why should I avoid her?
Let's forget about it and just go.
ARE YOU BULLSHITTING ME?!

Huh?!
IS IT FUN TO MESS UP WITH A PERSON?
CREAK
Eh?! don't tell me... they're fighting right in front?!
Let's slip through the stairs to not meet...
Woah, Lee Seejin!
THERE'S A LIMIT TO BEING IR-RESPONSI-BLE!!
NOW WHAT ARE YOU GONNA SAY TO JIN?!
Huh?!
THAT YOU MADE THE MOVE SINCE HE SEEMED GULLIBLE?
What...
Realise
Halt

A familiar
woman's
voice

Lee Sae-jin?
J-

Sigh

Who are you?
You see this is...
Not Lee See-jin.

You are Lee Sae-jin's cousin oppa sir...?
Sorry.
You didn't seem to recognize me so I thought I'd play a prank on you but...
You don't even remember my name do you?
It's Lee Sae-oh.
But do you...

Really, Not remember a thing?
I've seen Saejin's cousin in elementary for a short moment.
Of course I don't remember.
You saw me at the freshman welcome party

That was when
I got passed drunk and slept at a random sunbae's house?
DIZZY

Sneaked away the next morn
Shit, so embarrassing.

I still recognized you then.
Which is why I let you sleep, but you completely forgot about me
!
Since then you never came to our department's events and lived as an asse,
Sigh
so I thought you were just ashamed.
But when we met once, you didn't even recognize me and walked right past
Uhm...
Was I perhaps...
a bad drunk that day...?

Damn, he's grown up a lot. It's even amazing that I remember him.
At least... His face is
still dumb looking.

Hm...
Don't tell me it was all for nothing...?
Is he still in touch with See-jin?
I should ask tomorrow.
Well, that's that and...
Jin, get up for a sec. You should at least get changed.
?
Here. I'll lend you my clothes so sleep well.
GIVES
Kay...
.....
No polite speech?
Guess he's pissed drunk.

Well,
I'll know when I talk to his sober self tomorrow.
Before that, I don't feel comfy sleeping in bed with another man...
Should I use the sofa...
Is there an extra blank...
